

HEDONISM II

August 24, 2010

Dear Hedonism II Guests,

Our well known and much liked Night Manager Michael Asemota suffered a brain aneurism approximately two weeks ago. He has undergone several treatments at the best Hospital in Jamaica and now requires specialized treatment and/or surgery not available on the Island.

Unfortunately Michael's health insurance does not cover the amount of approximately US\$100,000.00 needed for the surgery and other related costs. The owners of Hedonism II have donated ten five night stays for us to use in a raffle to raise the funds needed for Michael's treatment.

We will be raffling these trips to be used between October 1st, 2010 and December 20th, 2011. Raffle tickets will cost US\$100 each and the sale of all tickets will close September 30th, 2010. All proceeds will go solely towards Michael's health care.

Tickets can be purchased by calling Lorna Clarke at 876-684-5252. Payment may be made by Credit Card, Check or Money Order, our mailing address is:
